

Thank You! A huge thank you to all parents and guardians who participated in our parent/teacher night. A turnout of over 70% illustrates to me a community of caring families who are invested in our youth. I had many uplifting conversations with parents who value the Christian education and role modeling happening at LHSKC. While we still need to improve on aspects of our delivery and communication, the attitude displayed this night encourages us to be more diligent, more professional, and more caring when it comes to serving our constituency.

Student Help Day—What is it? Friday, September 19th from 8-2 (no lunch) students who earned a C+ or lower in any course are required to attend. Teachers will be available to assist students with incomplete work, revised homework or test corrections, or new homework or projects due in the future. This is an academic day. The design of this day is for those students who have fallen behind or are struggling with the concepts taught in a class to “catch up.” Any student may attend and seek extra tutoring or work on homework, but those who have earned A’s and B’s are not required to attend. We had our first Student Help Day last spring when our music tour was touring so some may have missed this opportunity. I believe this is an excellent opportunity for teachers to give one-on-one assistance to students and for students to get back on track in those classes where they have encountered difficulty.

Finally, Homecoming is right around the corner. The week of Sept. 29th culminating in a homecoming dance on Friday, Oct. 3rd. Look for more details soon from student council.

October 4th—Huge alumni event at LHSKC—Celebrating the 35th year of LHSKC preparing lives for today, tomorrow, and Eternity! Alums check the facebook page for more details.
