

# LEAVING YOUR MARK

Creating your signature stamp in ceramics

# START WITH A LIST

- What symbol describes you?
  - Could be your initials, signature, favorite mark, etc.
- Work on 3-5 different designs in your sketchbook.
  - You have to create the mirror image of your symbol.
- Making your stamp:
  - You will start with a coil shape and carve away clay to leave your symbol there.
  - Make sure it is thick enough to leave a mark in the clay.
  - Leave enough clay for the handle.
