## Repetition Assignment

- This assignment will **not** be put into an InDesign document; instead each picture will be saved into a folder called **Repetition**.

Repetition

- There will be **5 photographs**
- Each student will be graded based on the quality of each photograph as well as how distinct the focal point is as well as the image in general.
- Creativity will also be a factor that is judged...**no blurry photos please! If there are you will be docked 5 points per photo!**
- If the images are not saved in the appropriate place students' work will not be graded, as it is part of the above stated information.
- Save each image as a JPEG image
- DO NOT RESIZE!
