Graphic Arts
CD Cover/ Assignment

- You will pretend that this artist or group has sought you out to be their chosen graphic design for their cover art; with this in mind try to match the theme/style. You will be designing the front and back cover.

- Carefully think about which font, colors, and design would work the best.

- You may use photoshop, illustrator, and indesign for the process…the main thing is to end up with a complete project of the front and back cover.
