Magazine Cover/Layout Assignment

- This assignment will be put into two different InDesign documents, and saved on your flash drive as Magazine

Magazine layout and final

- You will be creating the layout thumbnail as well as the final piece...therefore two InDesign documents**
- Each student will be graded based on the quality of the main photograph as well as any supporting photographs in the layout.
- Creativity will also be a factor that is judged...**no blurry photos please!**
- If the images are not saved in the appropriate place students work will not be graded as it is part of the above stated information.

Check List:

- **Must have one background image**
- **Magazine title**
- **Date**
- **At least 4 different issues or headers that would be articles or presented information on the inside of your magazine**
- **Only appropriate information**
- **You can choose an existing magazine as a reference, but make it your own! (Create what could be the next edition)**
